Description

CHEETAH MOON is a 38.36 m three-deck motor yacht built in 1986 by Cantiere Navale Nicolini. With her steel hull, aluminum superstructure, and classic lines, she embodies traditional Italian yachting craftsmanship. Completely modernized thanks to major refits (2012 & 2019), she combines reliability, performance, and modern comfort. She accommodates up to 10 guests in 5 cabins, including an owner's suite on the main deck. Its vast outdoor spaces, open-air dining area, flybridge Jacuzzi, and convivial bar offer the ideal setting for relaxation and chartering, striking a perfect balance between heritage and contemporary luxury.
