

A white two-masted sailboat is shown from a side profile, floating on blue water. The background consists of a steep, rocky cliffside covered in green vegetation under a clear blue sky. The boat has two tall masts with complex rigging. A white cabin is visible on the deck.

## Description

---

AIGLON is a 45-meter structural motorsailer built by the prestigious Abeking & Rasmussen shipyard, based on a design by naval architect André Mauric. Combining classic charm and modern comfort, she accommodates up to 7 guests in 3 cabins, with a dedicated crew of 6 providing impeccable service. Carefully maintained and extensively refitted, she offers high-end amenities and a sailing experience that is as elegant as it is efficient. An exceptional yacht for unforgettable voyages, combining tradition and modernity.
