PENDENNIS WALLY B

3 250 000 € All Tax Included

Description

WALLY B is one of the most iconic superyachts ever built. Constructed by Pendennis in Falmouth, UK, to a design by Luca Brenta & Co., it boasts a stylish contemporary interior by Lazzarini Pickering Architetti.

Built entirely of carbon fiber, WALLY B combines the performance of a racing yacht with the comfort of a luxury yacht. Its uncluttered decks, expansive relaxation areas, and refined three-cabin interior accommodating up to six guests offer a sporty yet exclusive experience.

Meticulously maintained, with significant refits including a complete overhaul in 2020/2021 and a new set of sails in 2022, it recently won the prestigious "Line of Honor" at the Posidonia Cup, confirming its status as a modern sailing icon.
