Description

The Black Shiver 140 Ego EFB is the first model in the EGO range, combining bold design with high-end finishes. Designed to maximize onboard space, it offers spacious relaxation areas, including a large aft sun deck and a versatile forward area that can serve as a lounge or dining area. Its side access points and wide aft platform make swimming and time at sea easy. Designed for comfort and conviviality, it also features high-performance navigation equipment, making it ideal for both coastal outings and longer getaways.
